

Board Meeting Minutes September 8, 2016.

Members in attendance: Cliff Belleau, Chuck Hosack, Bernie Willis, Ed White, and Barry Blakeley

Meeting was called to order by President Willis at 7:21.

Treasurers Report: was not available.

Minutes from the August board meeting were accepted as presented.

Government affairs:

No report.

Old business:

September meeting will be a Just Highlander project in Wasilla at John Nealon's.

Barry has offered to make a presentation for the January meeting on wing/airfoil design.

Bernie has offered to twist the arm of Jerry Allsup of Dominion propeller for a tour of their facility for the October meeting.

Cliff has offered to check with Merrill Field Instruments to see if they would provide a program for our February meeting.

New Business:

Chuck pointed out that the 2015 election results might not be reflected on the chapter website. Chuck also pointed out that Bernie's term as chapter president would expire this year. Bernie offered to continue if elected.

Chuck brought to Ed's attention the fact that the Alaska Aviation Museum's fundraiser in July appeared to have inadequate personnel for marshalling of aircraft by the volunteers. Chuck suggested that Ed's affiliation with the Birchwood CAP squadron might be able to assist the museum at next year's event.

Meeting adjourned about 8:37.
